# Life's Been Good

They say I'm crazy, but I have a  
Good time.  
I'm just looking for clues at  
The scene of the crime . . .  
It's tough to handle this  
Fortune and fame.

Everybody's so different;  
I haven't changed . . .  
I keep on going. Yes,  
I never know why . . .  
Life's been good to me so far.

# Your Smiling

Whenever I see your  
smiling face,  
I have to smile  
myself  
Because I love you.

And I thank my  
lucky stars  
That you are who  
you are.  
And not just another  
group of students  
Sent down to tear  
the school apart.

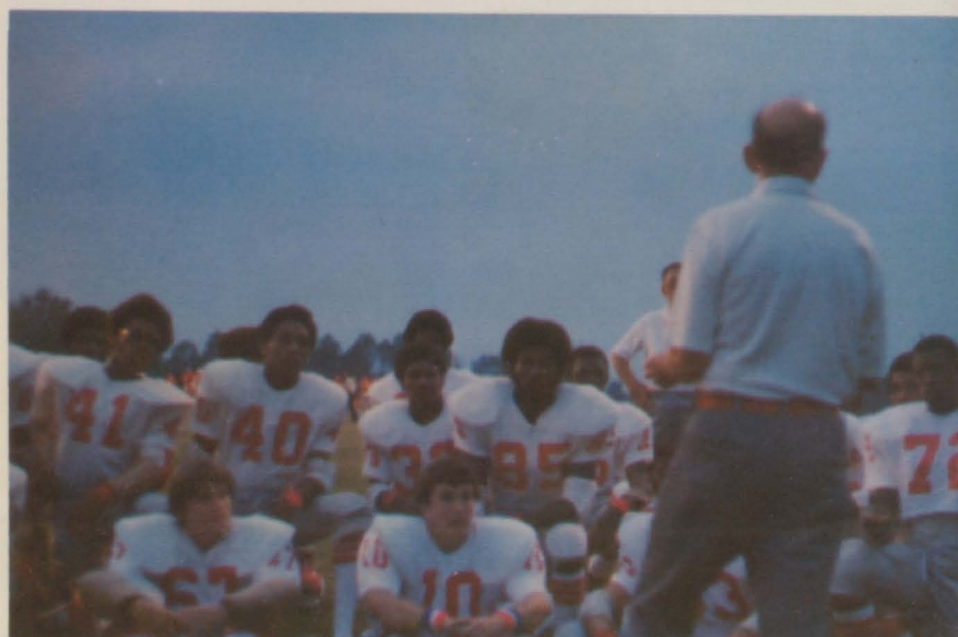

# Face

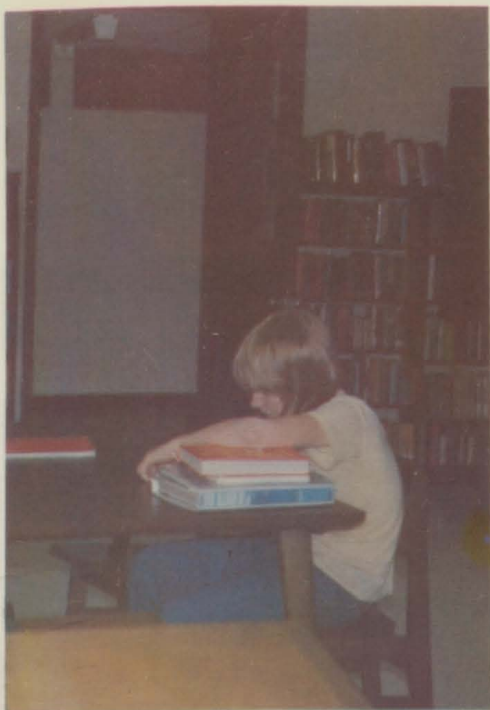

# Searching For A Rainbow

I came to school today, and in  
My mind,  
I said, "Lord, I'd love to stay.  
But something in me says,  
"Boy move on . . ."  
And if the wind never showed

Me where to go,  
You'll be waiting at the end  
And I know;  
I'll see the hill  
With that pot of gold . . .  
I'll be searching for a rainbow.

# Life In The

# Fast Lane

Life in the fast  
lane —  
Surely enough to  
make you lose your  
mind . . .  
Are you with me so  
far?  
Eager for action,  
Hot for the game,  
The coming  
attraction,  
The drop of a name;  
They knew all the  
right people . . .  
They threw out-  
rageous parties.  
They paid heavenly  
bills.  
Life in the fast  
lane.

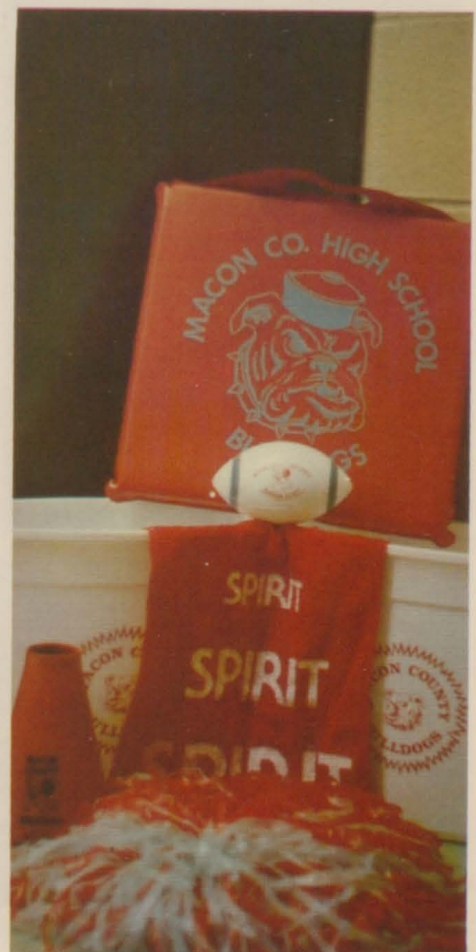

# Thank God It's

Hey, put a smile  
On your face,  
Things are coming  
Your way  
Out there in your  
Life.  
It is the right time  
And place  
For the very first  
Time.  
All our dreams will  
Come true.  
Friday — Thank God!  
It's Friday!

# Friday

I've Had  
Enough

You stand behind me with a  
 Watch in your hand,  
 And it can't get nothing done.  
 Some people tell me that  
 You're a punctual man,  
 But come on . . .  
 I do my work and you

Take it away;  
 I don't know where  
 You're from . . .  
 I've had enough.

# Alma

Proudly we stand  
Together to sing  
Of Macon County  
High.  
The red and gray  
Will lead the way,  
Our zeal will never  
Die.  
Our heritage of  
Honor shines forth  
For all to see.  
Our voices raise in  
Grateful praise,  
Alma Mater, hail  
To thee!

DR. T. M.  
ADAMS

1903-1978

Dr. Thomas Martin Adams a native of Elberton, Georgia, was a well respected man in the Macon County area. He made many contributions that will long be remembered.

"Dr. Tom," as he was called by his many friends and associates practiced medicine in Macon County for 49 years. He and Dr. Fred Adams, an unrelated friend, ran the Macon County Clinic for many years.

Dr. Tom was active in Montezuma government. He was a member of City Council from 1953 to

1976 and he was Mayor of Montezuma from 1976 to 1977.

Macon County High School will always be indebted to him. Dr. Tom attended practically all football games and was the athletic physician. Because of this and many other contributions to the community Tom Adams Field was named in his honor.

On January 13, 1978, the Georgia House of Representatives adopted a resolution commending Dr. Tom for his service to Montezuma, Macon County, and the State of Georgia.

# WE ARE THE CHAMPIONS

I've paid my dues  
Time after time.  
I've done my sentence —  
But committed no crime.  
And bad mistakes,  
I've made a few.  
I've had my share of sand  
Kicked in my face.  
But I've come through.

We are the champions —  
my friends.  
And we'll keep on fighting  
till the end.  
No time for losers  
'Cause we are the  
champions of the world.

## '78

This year was not one of the Bulldogs' best. In fact, it was our first losing season in fourteen years. However, their record was more a result of inexperience and scheduling than of inability. Coach Maffett's charges were sadly depleted last year by graduation. Also, we moved up two classifications into AA. The region competition was decidedly tougher.

There were many bright spots though, and the season closed with an impressive Homecoming victory over the Tri-County Eagles.

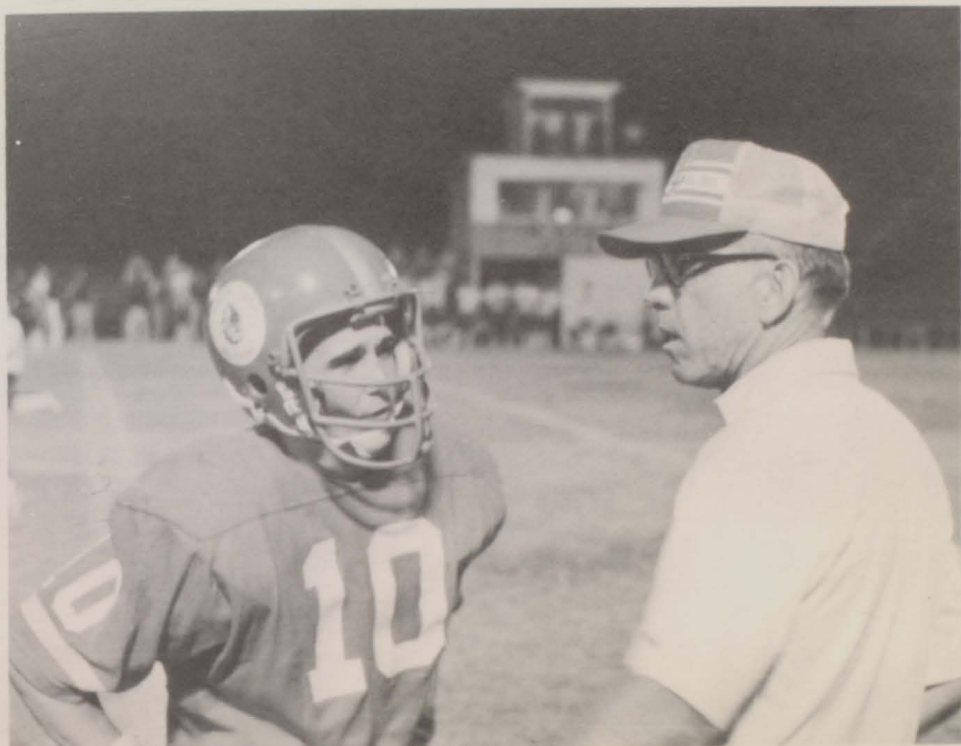

Although the season as a whole didn't measure up to Bulldog standards, there were some outstanding individual performances.

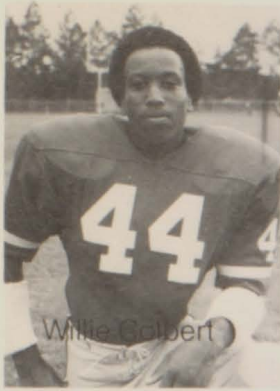

Willie Colbert, Bulldog fullback, rushed for over 1,000 yards this season, giving him the third highest single season total in Bulldog history.

Edward Jackson, a wide receiver, caught three Keith Martin aerials for touchdowns in the Homecoming win over Tri-County, setting a record in the process.

The Bulldog defense should be congratulated for their stingy performance this year. They only allowed 13.4 points per game through a total team effort.

## MCHS Bulldog Band

Band Captain  
Tony Pinckney

*Band Director:  
Victor Dickenson*

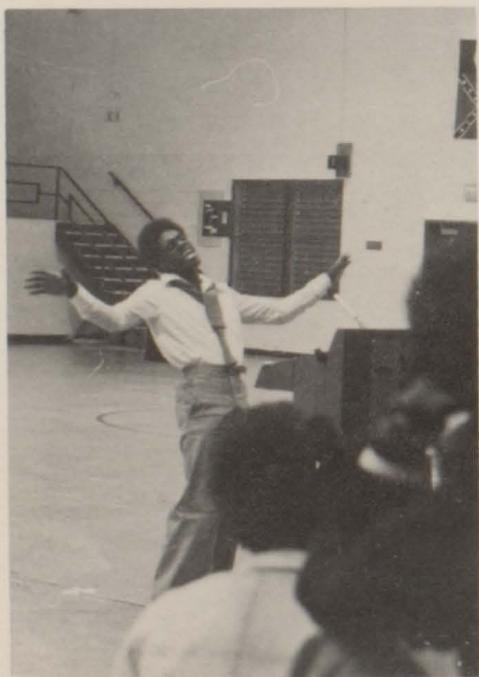

The Big Red Marching Bulldog Band faithfully provided entertainment and spirit for the football games this year. Many times the band was the only thing that spurred the team on. Due to lack of instrumentation the band has had to call on many eighth graders to march, and they have done a superb job.

Our concert band performed a Christmas concert for the student body and also plans to present a concert in the spring. The band also plans to attend the district band festival. Here, bands perform and are graded by a panel of three judges. These judges grade the band on their technical ability, expression, and their interpretation of a selection of three tunes. Last year the band received an excellent rating. This year they hope to do just as well.

# Natural High

I knew you could  
make it from the  
beginning —  
First time I saw  
you passing by  
To you it was much  
more than a notion —  
You had the spirit

Natural High is a  
good thing.

# Star Student

The Star Student contest is sponsored by the Georgia State Chamber of Commerce and the local Chambers of Commerce. It annually honors the student who scores the highest on the Scholastic Aptitude Test (SAT). The school winner is then eligible for county, district, and state honors.

This year's Star Student is Kathi Hortman. She chose as her Star Teacher, Mr. Gary Jones. He has been Kathi's instructor in the Life Lab program for four years.

# Literary Events

1. Spelling:  
Kathy Hortman  
Jamie Carroll

2. Oral Interpretation  
Debra Harris

Macon County has traditionally been a strong force in the literary events. Last year Kathi Hortman won her second consecutive girls' state spelling title. She also placed second in girls' essay at regional. Jamie Carroll won an unprecedented two regional crowns, placing first

in both extemporaneous speaking and boys' spelling.

This year there were many new faces among the literary participants; some in areas not usually represented. Ms. Kristina Simms was again literary coordinator, and Mrs. Ada Parsons helped the speech contestants.

# D e b a t e

The members of the varsity debate team are: Sara Oliver, first affirmative; Kathi Hortman, second affirmative; Kim Oldham, first negative; Jamie Carroll, second negative. Mrs. Simms is their advisor.

The varsity debaters enter the CESA Festival and the region meet each year. They also conduct practice debates and seminars with other schools and visit libraries to do research.

At the CESA Festival this year, both teams had winning records.

This year's topic is: "Resolved That the Federal government should establish a comprehensive program to significantly increase the energy independence of the United States."

The speakers follow in a set

order, and each has a ten minute speech and a five minute rebuttal.

Debaters are graded on a scale of one to thirty, with a maximum of five points in six areas: delivery, evidence, analysis, reasoning, organization and rebuttal.

# One Act Play

The one-act play, *Sunday Costs Five Peso's*, was outstanding. Veteran Rhonda Mathis and newcomers to the stage — Cammy Bielby, Judy Evans, Jackie Harvey, and Jeffrey Walters — represented our school at CESA and Regional Festivals. The play was also presented to the student body.

First row: Mary Cephus, Cammy Bielby, Judy Evans, Dessertine Harvey. Second row: Cassandra Hankerson, Jeffrey Walters, Rhonda Mathis, Jackie Harvey. Third row: Beverly Tookes, Anthony English, Earl Respert, Terry Hillman, Mrs. Lakes.

# Science Team

The Science Team finished third this year in the Class AA State Tournament. This was the first time that Macon County sponsored a team. Team members took a test consisting of 200 questions over the areas of Biology, Chemistry, Physics, the Earth Sciences, and Physical Science.

Team members, left to right, are: Robbie Ray, Keith Martin, Kathi Hortman, Kim Oldham, and Jamie Carroll (high scorer). The sponsor was Mr. Gar Jones.

# Academic Bowl

Last year marked the inception of the Academic Bowl Team. It was held on the campus at Georgia Southwestern College.

The tournament is patterned after the popular NBC television program, "College Bowl," of past seasons. Jamie Carroll, captain, led the team to a third place state win.

Team members, left to right, are: Mrs. Norton, sponsor; Keith Martin, Cheryl Strawter, (scorekeeper), Kathi Hortman, Jamie Carroll, and Kim Oldham.

Academic excellence can often be measured by participation in summer programs. Macon County is fortunate to have a number of students who have distinguished themselves in this area.

Kathi Hortman attended the prestigious Governor's Honors Program (GHP) this past summer. Her subject area was English.

Kim Oldham and Jamie Carroll attended National Science Foundation programs. Kim was a participant in an environmental science seminar held at Georgia Southwestern College.

Jamie was in a program held at the University of Georgia. His subject was political science.

Robbie Ray and Earl Respert attended the Youth Employment Training Program (YETP) sponsored by South Georgia Tech. They repaired various business machines.

Antoinette Keene was a participant in the Minority Introduction to Engineering (MITE) program, held at Georgia Tech. She learned of the various opportunities and available careers in the field of engineering.

# 1978 Certificate Of Merit Recipients

*Left to right: Robbie Ray, Jamie Carroll, Kim Oldham, Carlton Greene, Antoinette Keene, Kathy Hortman, Amber Hall, Phyliss Keene, and Alonzo Jones.*

**DAR Citizenship Award: Carla Meadows**

Each year the State Department of Education recognizes the top 5% of all state high school's junior class. The Certificate of Merit is an award for outstanding academic achievements during the recipients' first three years of high school.

The DAR Citizenship Award is given by the Daughters of the American Revolution

to a high school senior in recognition of good citizenship, academic achievement, and good sportsman-like conduct.

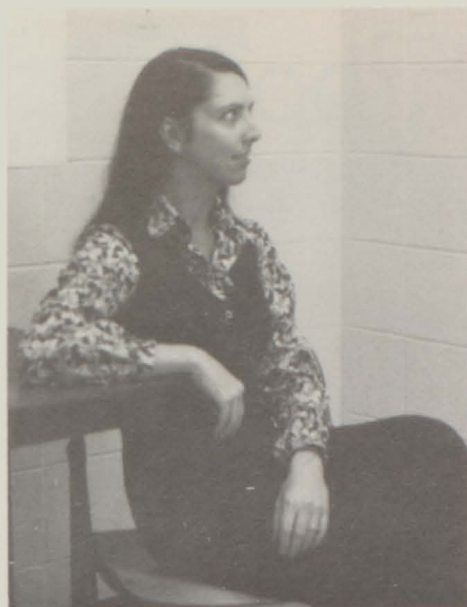

This year the Georgia Association of Educators sponsored a county wide essay contest. Three judges then selected the top five essays.

**GAE essay winner:  
Jamie Carroll**

Each year the Flint Electric Corporation, a rural cooperative, sponsors an essay and speech contest for high school juniors. A teacher from each participating school is selected to advise the students on their grammar. Students submit an essay of at least 500 words on the topic of energy. These essays are judged, and two representatives from each school are selected to present their speeches at a district banquet, held in Warner Robins. The winner receives a five-day trip to Washington, D.C.

# Yearbook Staff

The production of a yearbook is a costly and often tedious process. Mrs. Sherry Norton and her staff of eight have managed very well. With the smallest staff in Macon County history, the staff has produced the largest and most expensive yearbook ever.

The staff showed their determination very early. They won a first place trophy in photographic detail, or photo ideas, at a summer seminar sponsored by Taylor Publishing Company.

This competitive drive has carried over into the actual production of this year's book. Each member of the staff is certain that this year's book will be one of the best ever.

## GHP Nominees

Acceptance into GHP, or the Governor's Honor Program, is the highest honor a Georgia high school student can receive. It is a seven-week program that brings together the best sophomore and junior students in the state. Annually, only one-fourth of all nominees are accepted. This year's academic nominees are Cheryl Strawter (English) (left) and Amanda Neill in mathematics (right).

## Certificate Of Merit Nominees

The Certificate of Merit is awarded annually to the top five per cent academically in each Georgia high school's junior class. Recipients are encouraged to participate in seminars and probes concerning their future educational plans. This year's nominees, left to right, are: Keith Martin, Cheryl Strawter, Amanda Neill, and Ray Tookes.

## Math Team

This is the first year Macon County has ever sponsored a Math Team. Members of the team will attend the state tournament, held at Georgia Southwestern College, and take a written examination covering many areas of mathematics. The top two scorers from each team will then take a second exam, and all scores will then be averaged. Standing, left to right: Jamie Carroll, Beulette Hooks, Robbie Ray, and Kris Coogle. Kneeling, left to right: Kathi Hortman, Kim Oldham, and Amanda Neill. The team's sponsor is Mrs. Janice Oliver.

# Looks Like We Made It

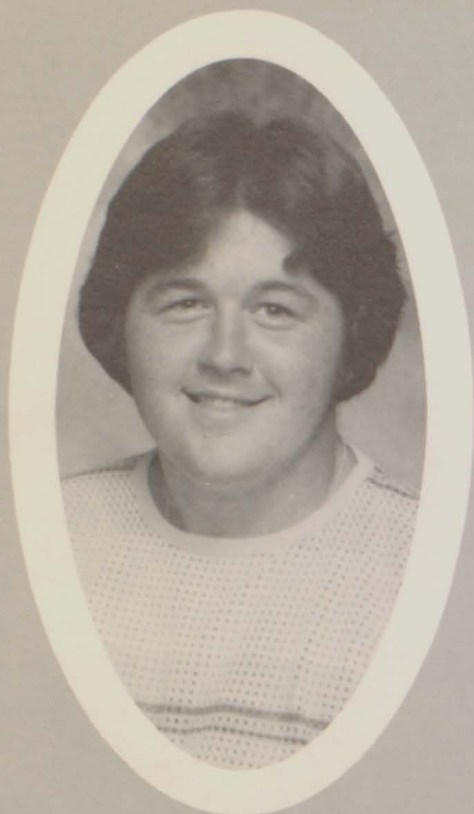

There you are  
Looking just the same  
as you did last  
time I saw you.  
Here I am  
Close to getting  
tangled up inside  
at the thought  
of school.  
Do you enjoy school  
as much as I did?  
Will that pride be  
strong when old  
feelings start  
to stir?  
Looks like we made  
it —  
Left our school  
along the way  
to another life.  
Looks like we made  
it.

# Hopelessly Devoted To You

Mine's not the first  
breakdown,  
My eyes are not the  
first to cry.  
I'm not the first to know,  
There's just no getting  
over you.  
My common sense is saying,  
"Fool forget them."  
My heart is saying,  
"Don't let go. Hold on to the  
end."  
That's what I intend to do.  
Hopelessly devoted to you.

# Thank You For Being A Friend

Traveled down a road  
and back again  
Your heart is true —  
You're a pal and a  
confidant.  
I'm not ashamed to say  
I hope it will always  
stay this way.  
My hat is off  
Won't you stand up  
and take a bow?  
When we both get older  
With walking canes  
and hair of gray  
Have no fear, even though  
it's hard to hear,  
I will stand real  
close and say —  
Thank you for being  
friend,  
I want to thank you,  
Thank you for being a  
friend.

# Editor's

# Note

We approached this year's book with a certain idea of what we wanted to accomplish. You've probably already noticed the larger pictures; the fact that there are more pictures to a page; more pages, and the abundance of copy. We believed that such things as honors, sports, and organization's purposes

needed to be explained. A yearbook should be more than a pictorial account of the school year; it should be a vibrant, living reference work as well.

I believe that each member of this staff has uniquely contributed to this book. We had the smallest staff ever, yet we put out the largest yearbook

in Macon County history. I would not venture to count all the Saturdays and afternoons spent at school. Besides the staff, I want to thank Mrs. Carole Barfield, Coach Peaster, and especially Mrs. Sherry Norton.

Each of us sincerely hopes you enjoy this annual.

# Freak

# Out

All that pressure got  
you down?  
Has your head  
spinning all  
around?

Feel the rhythm,  
chant the rhyme,  
Come on along and  
have a real good  
time.

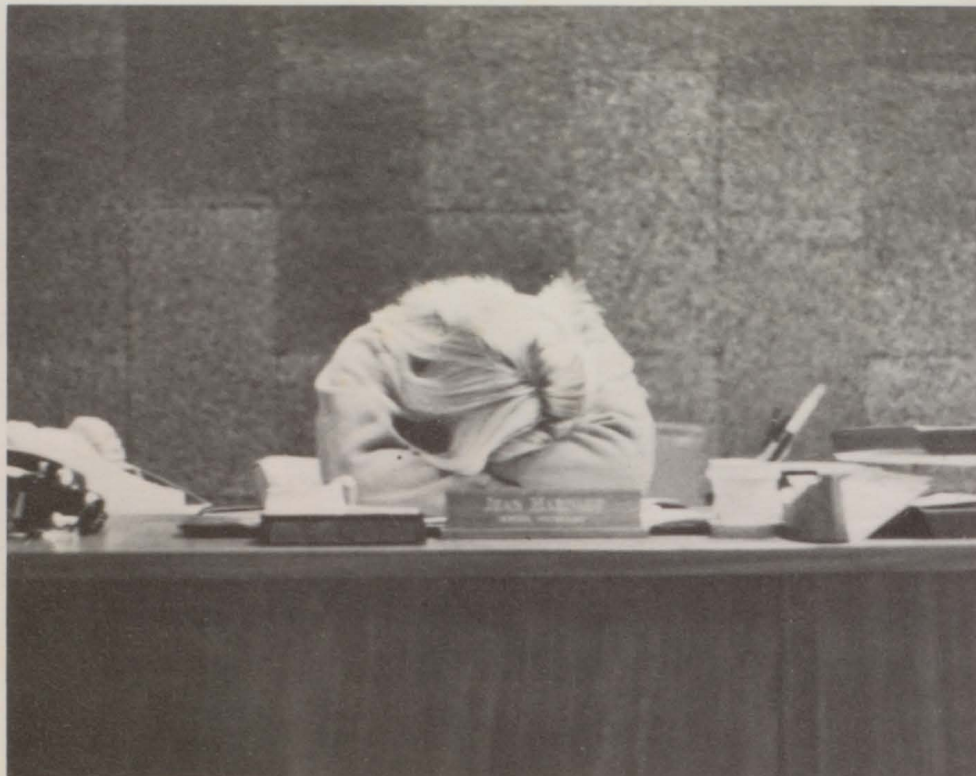

Young and old are  
doing it I'm told.  
Just one try, and you  
too will be sold.  
It's called Le Freak,  
They're doing it night  
and day.

Allow us, we'll show  
the way.

ah — FREAK OUT!

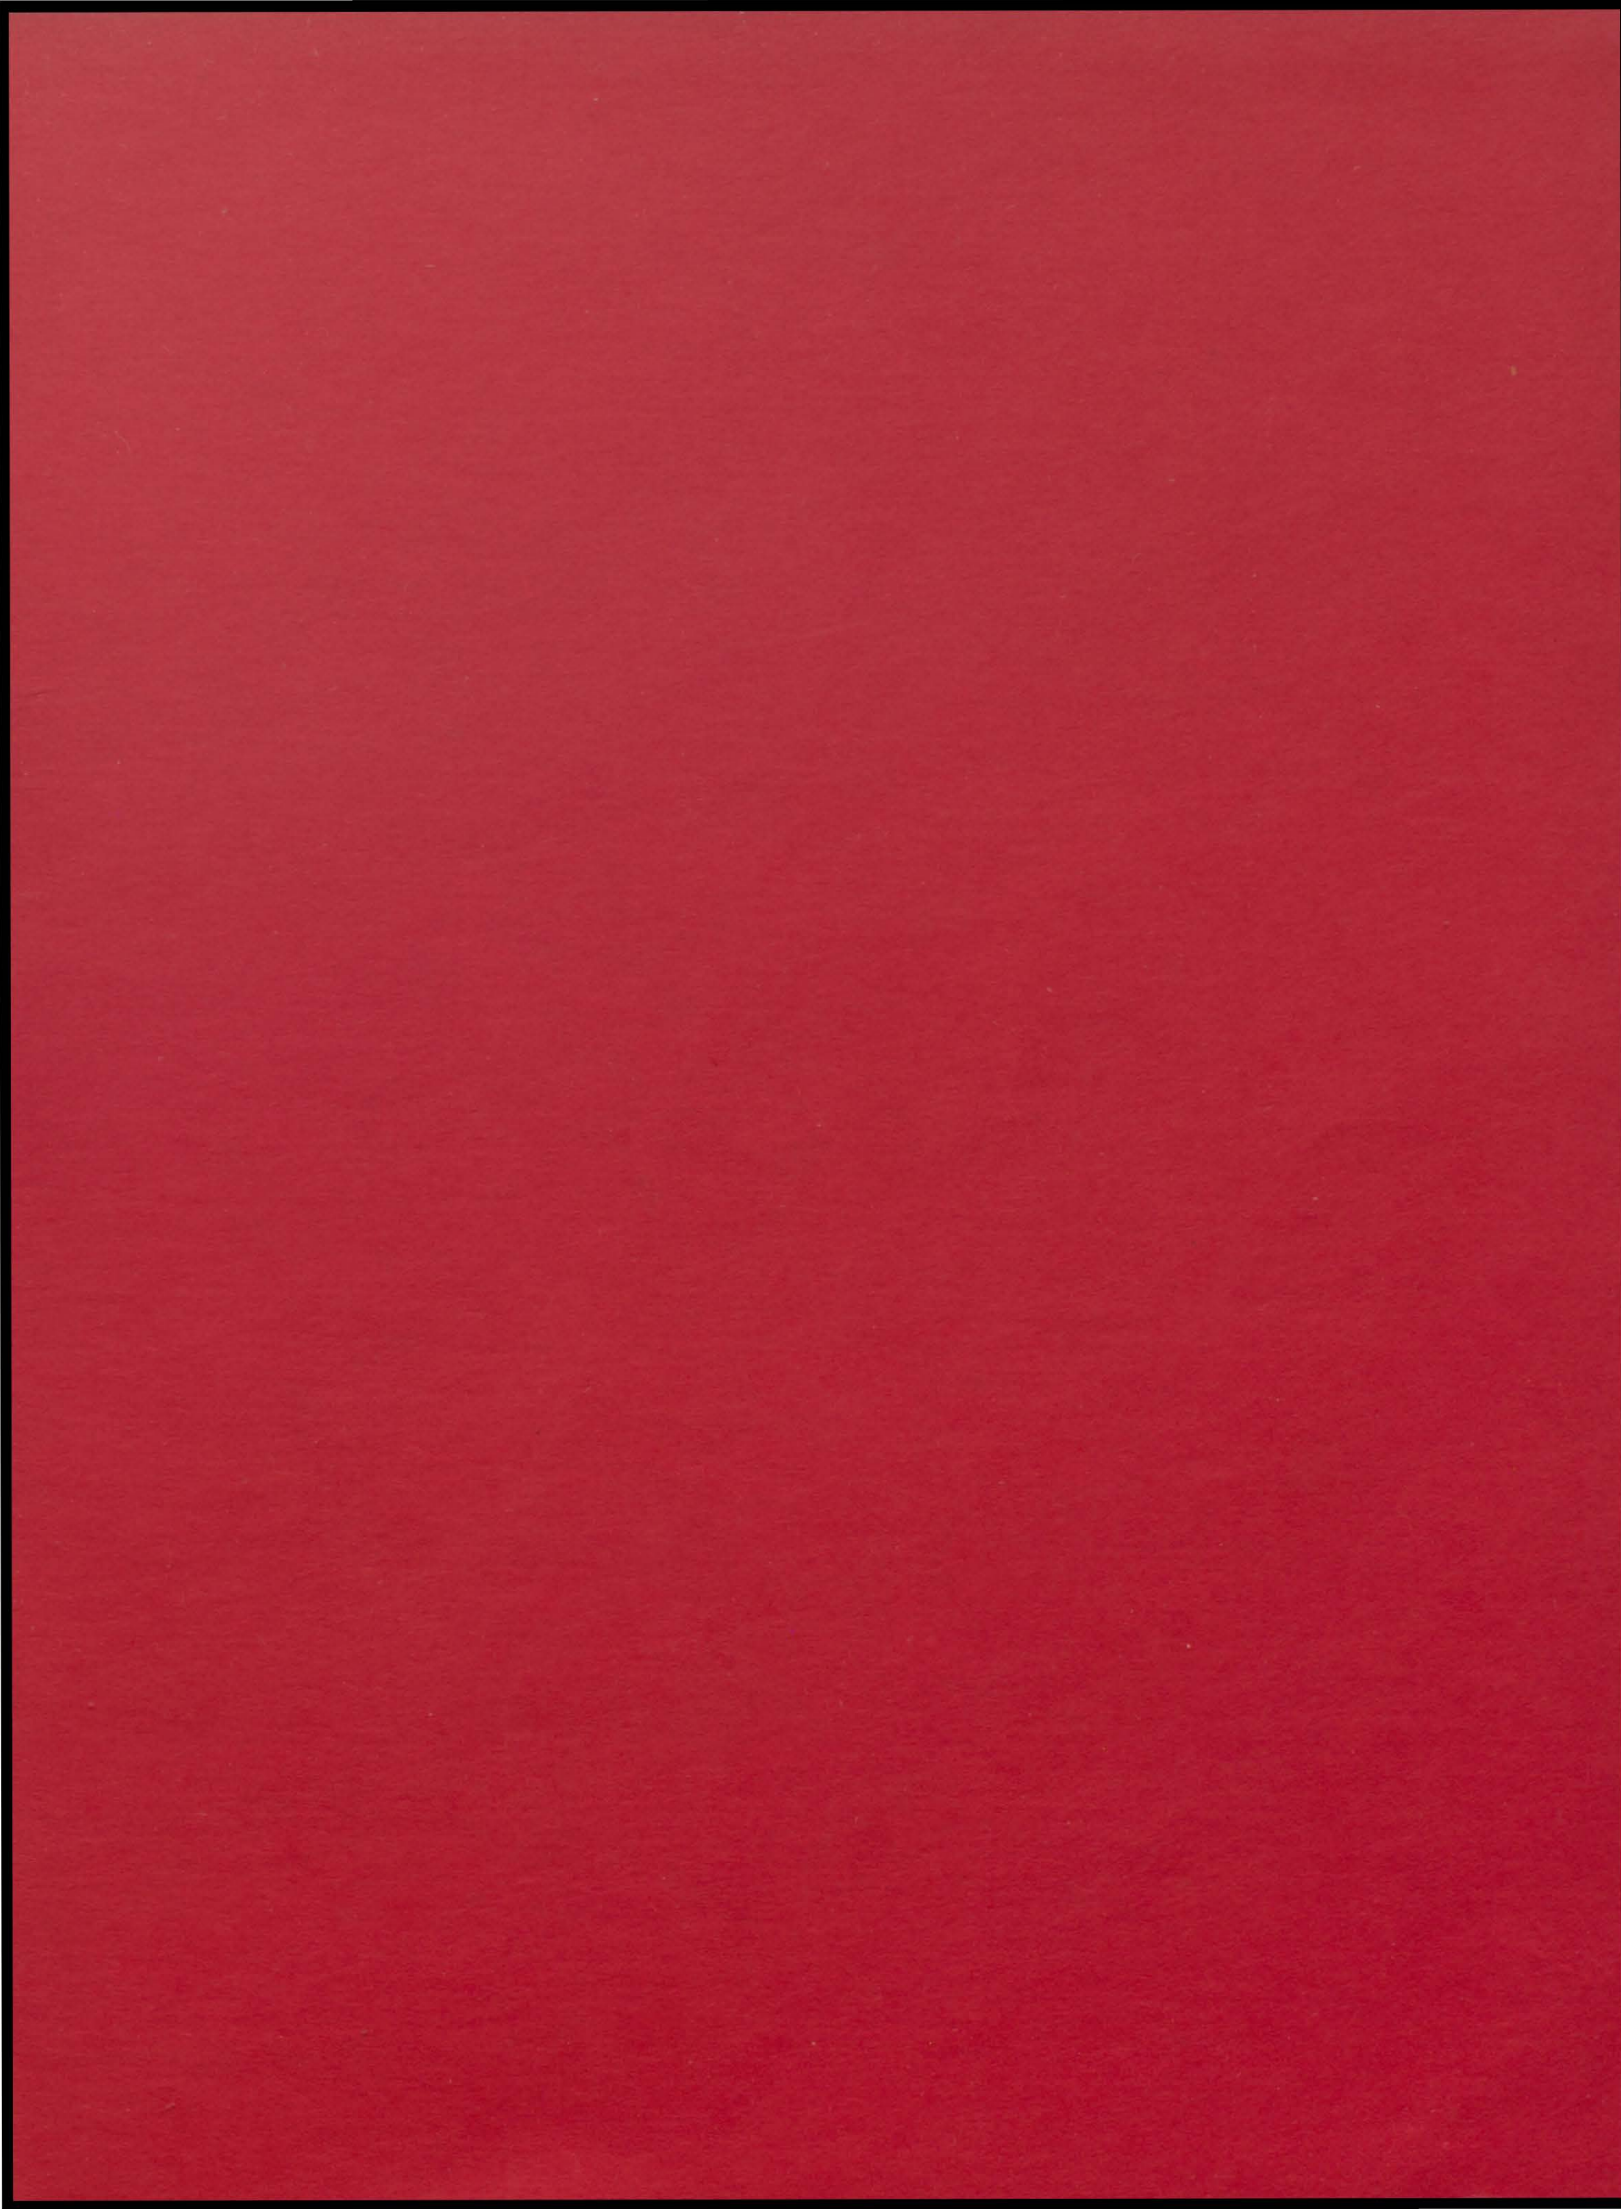

## Too Much Heaven

Nobody gets too much  
heaven no more,  
It's much harder to  
come by;  
I'm waiting in line.  
Nobody gets too much  
love anymore.

It's as high as a  
mountain and much  
harder to climb.  
Oh, you and me . . .  
Got a highway to the  
sky.  
We can turn away from

the light of day and  
the tears we had to  
cry.  
I can see a new  
tomorrow.  
Everything we are will  
never die.
